Subject: CALFED - Alternative Solutions

Dear Mr. Snow:

I am writing as directed by SEWD Board action of 2/2/0/96.

SEWD supports Alternative 13 (East Side Canal), but would also support shorter, less costly versions of this alternative.

Understanding that CALFED wishes to reduce the number of alternatives from 20 to 12+, SEWD asks that Alternative 13 be retained, at least until shorter versions have been analyzed.

I will attend your work session on 2/26/96, and will be prepared to answer questions.

Very truly yours,

Virgil Will
